WORK EXPERIENCE

Data analyst, Business Intelligence

ACCENTURE / WARSAW, POLAND
SEPTEMBER 2021 TO PRESENT

I support a finance and accounting team
(invoice processing, cash collections). I create
data pipelines, maintain them, analyze data
and provide stakeholders with insights paying
particular attention to trends and patterns.

Digital ads technical analyst

ACCENTURE / WARSAW, POLAND
JANUARY 2021 TO AUGUST 2021

Responsible for tailoring technical solutions to
customers needs and improve service quality using
my coding and debugging skills.
